The Coniston Hotel

The stunning Coniston Hotel in Skipton needed to expand to meet demand. After a successful tendering package, John Moore & Sons were chosen from five contractors to carry out phase one of the proposed works.

The development began at the end of January 2011. As the hotel remained open for business, the site had to stay immaculate at all times. The new entrance, reception and toilets were complete and ready for patrons to use after only nine weeks.

Work also commenced on an extension for Macleod's Restaurant at the hotel and took only ten weeks to complete. Following this, work started on the refurbishment of the existing part of Macleod's Restaurant and Bar... [Read More](#)
